III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Distribution of Prizes and Indemnities

Reimbursement of prize-money will be paid out per athlete (not per horse resp. per horse owner). For all athletes by bank transfer within 14 days after the OC has received the invoice. For this purpose the athlete has to send an invoice of the prize money to the OC. If the transfer will not be possible due to wrong or incomplete bank information, the OC reserves the right to charge a handling fee of € 40,00, that will be invoiced by the bank. The organizer reserves the right to pay small amounts directly on site by cheque or cash or to transfer otherwise.

All prizes in kind rewarded instead of prize money will be distributed acc. to FEI-RG Art. 127/128 following the last competition at the latest.

Other or especially higher premiums or prize money amounts than mentioned above have to be notified by the OC explicitly in writing, otherwise the above mentioned amounts apply. If no other information is given and without prior notice prizes in kind (cars or similar) will be distributed instead, the athlete may reject the prize-money replacement. In that case only the prize-money published in the schedule would be distributed, the prize in kind would remain with the OC.

Settlement will be done with the athlete (disregarding any agreements between athlete and proprietor), thus the OC will be disburdened. Depending on the agreement with the horse owner, each athlete binds himself to pass on to the horse owners the prize money or prizes in kind rewarded instead of prize money. The organizer is allowed to deduct possibly outstanding debts of the athlete. Acc. to § 50a EstG this also applies to foreign horse owners. As a rule the following income tax will be due, taking into account the prize money or prizes in kind rewarded instead of prize money per day: no taxes up to 250 EUR, 15 % exceeding 250 EUR; plus solidarity fee (at present 5.5 % on the amount of the tax deduction).

Travelling expenses being taken over or reimbursed are only regarded as revenues if they exceed the actual costs and the reimbursement for additional meal allowances acc. to § 4 Abs. 5 Satz 1 Nr. 5 EstG. The tax deduction has to be certified on demand. Those foreign athletes being exempted from tax deduction are kindly asked to submit an exemption certificate either with the entry or on the first show day at the latest. Every athlete himself is responsible for the correctness of the details he submits.

If Athletes have to be placed equally, the money value of consecutive placings and of possible prizes in kind (e. g. a car) is divided accordingly between the respective athletes.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations)

The value of the 1st prize must not exceed 1/3 of the total prize money announced for the competition. Distribution of prize money: distributed to 25 % of participants. If there are between 5 and 19 athletes in the competition, min 5 prizes must be distributed.

If there are 4 or less athletes in the competition, the table below applies.
